

Knife Rights 2011 BLADE Show Fundraising Knife by Rick Hinderer Entry Form

Rick Hinderer is combining 25 years of building world class art knives using old-world knife making techniques and use of the latest CNC precision machining to make this unique custom Hinderer XM-18 3.5" Framelock Flipper, a true "One-Off" custom. The 3.5" blade will feature a full hand-rubbed satin finish, something never before offered on an XM-18 Folder. The titanium framelock and liner will be meticulously hand file-worked by Rick in great detail. Rick's file work will be topped with polished hardware throughout and finished with a smooth midnight black carbon fiber handle scale. This will be the most unique Hinderer XM-18 ever available with an estimated value of \$3,400.
